Memorandum

To: East End Health Plan Participating Districts' Superintendents

From: East End Health Plan Board of Trustees

Date: February 29, 2008

Re: East End Health Plan Rates for the 2008/09 School Year

The East End Health Plan Board of Trustees met on February 27th to approve new rates for the 2008/09 School Year. A priority of the Plan has always been to provide comprehensive benefits at a cost effective price. The Trustees are pleased that the East End Health Plan can continue to provide the benefits at a total cost that continues to be competitive with those of the Empire Plan. Also, the rates for those retired enrollees that are 65 years or older and Medicare is their primary insurance will reflect a greater discount in 2008/09.

The rates for the 2008/09 School Year that will go into effect on July 1, 2008 are as follows:

Individual Coverage - \$601 per month (6.00% Increase)

Family Coverage - \$1,362 per month (6.00% Increase)

Retired Enrollees 65 years of Age or Older Rates

Individual - \$526 per month (1.74% Increase)

One Spouse covered by Medicare/One Spouse not covered by Medicare - \$1,287 per month (4.21% Increase)

Both Spouses covered by Medicare - \$1,212 per month (2.28% Increase)
